FOREIGN ACADEMIC CREDENTIALS SERVICE, INC.

Foreign Academic Credentials Service, Inc. assists people educated outside the United States in determining the equivalency of their international education credentials in terms of an education in the U.S. FACS was established in 1982 at the request of the American Institute of Certified Public Accountants (AICPA) and the National Association of State Boards of Accountancy (NASBA). FACS now prepares evaluations for not only state boards of accountancy, but also for virtually every profession, as well as for colleges, universities, and employers across the United States.

FACS is a charter member of the National Association of Credential Evaluation Services (NACES), an association of US-based, independent, nongovernmental organizations, established in 1987, that provide credential evaluation services for individuals who have completed education outside the United States. NACES members are required to maintain the highest standards, in both evaluation preparation and ethics. Advisory evaluations are prepared by professional evaluators who have completed years of training and research.

Our evaluators are members of The Association for International Credential Evaluation Professionals (TAICEP), including a charter member. TAICEP is an international professional association that has the single purpose of supporting and serving the profession of international credential evaluation. FACS evaluators have presented at TAICEP conferences internationally.

FACS evaluations are advisory in nature, non-binding, and do not represent the attainment of any professional licensure or certification.

FACS only evaluates formal education. No evaluation of experience is available.

GRADING

FACS prepares grade point averages (GPAs) using a 4-point scale (A, B, C, D and F). (+) Grades and (-) grades, as well as AA, AB, BB, BC grades, etc. are considered in the GPA calculation, relying on your institution's grading scale guidance.

GRADE	GRADE POINT	MEANING
A	4	EXCELLENT
B	3	GOOD
C	2	AVERAGE
D	1	BELOW AVERAGE
F	0	FAILURE

Courses graded on a Pass/Fail basis are omitted from GPA calculation and courses which were retaken are calculated only using the latest grade. The following grades reported are not included in the total credits: Absent, Incomplete, In Progress, Transfer, Withdrawal, and Exempt (if a course was exempted due to previous completion, we require an official transcript from the school at which the course was taken to include those credits).

Evaluations requiring indication of the levels of courses will be designated with the following:

LEVEL	ABBREVIATION
LOWER DIVISION	L
UPPER DIVISION	U
