Dear hiring manager,

I am Maged Muhammed, a **Fresh graduate** class of **2023 from** Ain Shams University with a **very good** Degree and I have passed the **IFRS Diploma** exam with a **66%** score, December 2022 exam, and I have completed my **CPA FAR** section, currently preparing for the exam.

Also, I have worked at **UHY United** from Jan 2024 to April 2024 as an associate auditor 1 where I learned more about how to perform audit on various entities and interned at Baker Tilly for 3 months, where I gained experience.

Now I am in Saudi Arabia, Jeddah work in **Ultimate Solution company for Computer Business** as an **ERP financial consultant & implementation** since May 2024 till now.

Based on the job description, I have particularly excellent knowledge of the **IFRS Standard, ERP System** with all modules Such as Project Management system, general ledger system, Banks management and facilities, Assets system management, Human Capital management, Inventory System Management, Vendors and purchase management, Customers and sales management, and Real estate management.

Kindly, I will be grateful for this opportunity that you will give me to work in a well-Known entity. I sincerely hope we can speak further so that I can share more about myself and the unique strengths I would bring to the position.

Sincerely,

Maged Muhammed.
